

INNOVATIVE DINING FURNITURE FOR EDUCATION ENVIRONMENTS

WELCOME TO VERSA

Flexible and space-efficient furniture for multi-use environments.

Whether you are looking to solve problems with the lack of space or simply trying to increase your dining capacity, we have the answer for you.

Westcountry Group is an innovative, design-led and client-centric refurbishment, fit-out and furniture company. We have worked in the education sector for over 45 years, helping various institutions create an effective dining and learning experience. Our versatile fixed and mobile tables help you maximise space and deliver flexibility without the need for expensive construction or large unmanageable furniture.

Our Versa range of mobile folding tables is the perfect solution for primary, secondary, college and university education settings. We have experience in creating the most optimised dining space to suit your own specific requirements.

We offer a full space-planning and design service as part of the process, or you can even customise your tables with your own graphics or branding if you wish. Either way, we will help you visualise your furniture from concept through to completion.

WALL POCKET

The world's most space-efficient dining table system

OUR LEGENDARY SPACE SAVER

The Wall Pocket system is the perfect answer for pupil dining in multi-purpose halls. When the tables are stored away, you can utilise the space as required, but when needed you can remove the tables and benches from the wall and set up in no time at all.

Having this flexibility is the perfect answer where floor space and storage are at a premium. Think of it like an extension without the need for planning permission! The storage area that once held your dining furniture is now empty and can be used for PE equipment or even a new space for learning. The benefit is, you can fit more students in without the need for extra furniture.

The Wall Pocket comes as a recessed version that sits flush within the hall wall or surface-mounted that is fixed to an existing wall. They come in a variety of colours and laminates and can also be customised with images or your logo which has proved to be popular with students.

 Your hall dining capacity is increased whilst using less space

 It only takes 8 minutes for one person to layout our Wall Pockets for lunch, seating 240 pupils

We are now able to easily seat our whole school for mealtimes, and the children seem to respect and take greater care over them because they look so smart.

Headteacher

KEY FEATURES & BENEFITS

MULTI-USE FLEXIBILITY

Wall Pocket's ease of use enables your hall to be used for other activities for longer every day

EASY TO SETUP

Wall Pocket speeds up room set-up time allowing meal-time staff more time to supervise and monitor pupils during lunch

QUIETER AND SAFER ENVIRONMENT

Wall Pocket removes the noise and safety risks associated with loose chairs, improving the safety and wellbeing of pupils in your dining hall

MULTIPURPOSE CONFIGURATIONS

The independent benches allows your hall to be easily reconfigured for assemblies, as a lecture theatre or an additional classroom in minutes

CUSTOMISATION

The tables are available in a variety of frame, bench, and surface colour options, or you customise them with images or logos of your choice

WHEELCHAIR ACCESS

Choice of tables with access for wheelchairs

They are a great idea, they pack away in no time and I think most schools should have them - great product.

A SPACE EFFICIENT SOLUTION FOR KEHELLAND VILLAGE SCHOOL

Westcountry Group installed three single customised Wall Pocket dining systems in their multi-use hall, delivering seating for up to 60 students. The school chose a unique colour for the Wall Pocket case to match the school's colour scheme. The clean, professional, and modern look of these tables really sets this hall apart from other schools in the area, making many quite envious!

SPACE-EFFICIENT MOBILE DINING FURNITURE

The Benchmark table is one of the most space-efficient mobile tables in the world.

The ultra slim / compact design offers adjustable table heights accommodating your everyday dining needs for primary schools, secondary schools and colleges.

The Benchmark is an industry leader in compact storage - six tables require a footprint of less than 1.6m x 2.24m, with each additional table adding just 28cm to the nested depth. With the Benchmark, space optimisation comes as standard.

The extended tabletops offer extra room per student and end-to-end positioning with no gaps between tables. When you experience Benchmark for the first time, you will understand why it's the most space efficient table available.

Over 100 standard colour options

We love our Benchmarks; at last we can get all of our dining furniture into our store

For years we have had student capacity issues at lunchtime. We came across the Benchmark tables and we haven't looked back since. We couldn't be more pleased with them.

BESPOKE DESIGNS

CUSTOMISED TABLES AND BENCHES

All our dining furniture is fully customisable allowing you to add your logo or preferred image to your order, bringing life to your dining hall or cafeteria. This has proven to be very popular with our customers and particularly students.

Your customised design is incorporated into the laminate making it durable and therefore able to withstand a busy school environment. You simply send us your logo or preferred image and we will create a sample for your approval.

Please note: there is an additional charge for this service, but no minimum order quantity required.

Please contact us for more information.

SERVICE AND MAINTENANCE

All our tables are covered by a standard 15 year manufacturer's warranty and tables are guaranteed to be free from defects in original material and workmanship for the number of years specified.

It is also important that your furniture meets all the necessary legal requirements and standards (PUWER) particularly around health and safety (HSE) and work equipment regulations.

To help, we offer a dining furniture annual maintenance and servicing plan for all our tables as well as those you may have from other providers. We will visit you and carry out all essential safety checks and do a thorough inspection giving you complete peace of mind and reassurance.

Whilst on site, our technicians will lubricate all moving parts, make any necessary adjustments and complete functionality checks to make sure you get the full use and life from your tables.

You can extend to a free lifetime warranty with our service and maintenance contract, or we can tailor a maintenance plan to suit your needs.

Please contact us for more information.
